Macquarie Telecom's Terms & Conditions Summary – CURRENT CONTRACT TERM 30/11/2012 TO 29/11/2015 (36 MONTHS)

- All mobile connections incur a MINIMUM charge of \$5.00 EX GST connection fee plus a \$2.00 EX GST Fleet View fee per service per month (this charge also applies for prepaid accounts).
- Any mobile service added during the term of the contract is bound to maintain this service and pay the minimum charge as described above until either:
 - A) The PCNSW contracted minimum term is over (Please check with Account Executive) OR
 - B) You have negotiated with the Account Executive a shorter period of time other than what is offered on the Master Agreement

Termination of Mobile services prior to the end of the minimum term WILL incur an ETC (Early Termination Charge). This charge is calculated by Macquarie on termination date and will be applied on your following months account invoice. Talk to the Account Executive for further information.
