

Welcome to The Presbyterian Churches of NSW Accounting Package (PCAP)

PCAP is the accounting package suitable for all Presbyterian churches in NSW. It is built on the Xero accounting platform. <https://www.benkorp.com/presbyterian-church-in-nsw/>

Why use PCAP?

PCAP enables your Church to:

- ✓access the Xero accounting platform
- ✓maintain compliance with ATO and ACNC obligations
- ✓access experienced support for your treasurer and finance team
- ✓use General Office standards for accounting and reporting
- ✓facilitate easy handover for a new Treasurer

PCAP and Xero is:

- a best practice accounting package, whether transitioning from spreadsheets or other accounting systems
- easy to learn with full training available

PCAP is developed and maintained jointly by the NSW General Office and Benkorp Management Services Pty Ltd (Benkorp).

Benkorp is a Xero Gold Partner with extensive experience in church accounting. They have been assisting churches handle their accounting and financial reporting requirements for over 25 years (<https://www.benkorp.com>)

The PCAP Package includes

- standard General Office chart of accounts and use of reporting categories
- specialised training customised for NSW General Office requirements and procedures
- reports suitable for submission to General Office
- ongoing technical and operational support for users including treasurers, bookkeepers and admin personnel, whether volunteers or staff
